

Executive Summary
Undergraduate Program Reviews, 2009-2010
Dr. Kathleen Rees, Committee Chair

Please accept the accompanying ad-hoc committee and external review reports produced for the 2009-2010 Undergraduate Program Reviews.

The members of the Undergraduate Program Review Committee were:

Dr. Shirley Bleidt	Dr. Kendra Huff
Dr. Glenna Cannon	Dr. Michelle Johnson-Vela
Dr. Mike Daniel	Dr. Steven Lukefahr
Dr. Sonny Davis	Dr. Kim McCuistion
Dr. Kenneth Escudero	Dr. David Ramirez
Dr. M. A. Faruqi	Dr. Priti Verma
Dr. Fidel Hernandez	Mr. George Wagman
Dr. Michael Houf	Dr. Muhittin Yilmaz

Self-study reports were received for four of the seven programs to be reviewed. Programs reviewed included: Chemical Engineering, Civil Engineering, Mechanical Engineering, and Industrial Technology. Dr. Walter E. Haisler, Texas A&M University-College Station, served as external reviewer for the Chemical, Civil, and Mechanical Engineering programs. Because the Industrial Technology program recently received national accreditation, this program was reviewed by an ad-hoc subcommittee only, with the accreditation site visit report of 2009 serving in lieu of an additional external review.

Programs scheduled for review in 2009-2010 which were not reviewed included: Finance, Management, and International Business Management. The UPRC recommends that these program reviews be completed in 2010-2011. This request is being made on the bases of these programs having interim chairs during 2009-2010 and anticipated reorganization of programs within the College of Business Administration.

On the following page, please find a summary of recommendations of the 2009-2010 undergraduate program reviews.

Undergraduate Program Review
Summary of Recommendations
2009-2010

Chemical Engineering

Ad-hoc subcommittee recommendation: Unconditional continuation

Civil Engineering

Ad-hoc subcommittee recommendation: Unconditional continuation

Mechanical Engineering

Ad-hoc subcommittee recommendation: Unconditional continuation

Industrial Technology

Ad-hoc subcommittee recommendation: Unconditional continuation

Finance

No self-study report received

Recommendation to include this program for 2010-2011 undergraduate program review

Management

No self-study report received

Recommendation to include this program for 2010-2011 undergraduate program review

International Business Management

No self-study report received

Recommendation to include this program for 2010-2011 undergraduate program review
