ADDITIONAL INFORMATION

We're thrilled to share the comprehensive support and exciting opportunities available to students at the College of Engineering!

Our Support System:

Academic Advisors: Our team of five dedicated advisors is here to guide students through their entire college journey.

Departmental Support: Each department has its own Chair and administrative staff to assist with various needs.

Javelina Engineering Student Success Center: Offers resources including: Tutoring, Academic advising, Internship and Scholarship Information, Study-abroad and research opportunities, Career guidance, Event announcements, Graduation deadlines and professional development opportunities, and more.

Enrollment Collaboration: We work closely with the university's Enrollment Management team to provide students with all the information needed for a smooth enrollment process.

Join Us for Javelina Preview Days: We invite your students to explore what Texas A&M-Kingsville has to offer at our open house event. Students will: Meet our esteemed faculty, Learn about financial aid and scholarships, Tour our campus and residence halls, Connect with current Javelinas, And more!

This event is an exciting opportunity for students to see their future with us and discover how we support their academic and personal growth.
