South Texas Environmental Engineering
& Science Academy (STEEA) Program

SPRING CAMP FOR HIGH SCHOOL STUDENTS

Join us for a fun day of environmental activities for junior and senior students guided by our engineering faculty and students.

You will learn about climate change, water quality, air quality and pollution control, desalination, geospatial analysis, data analytics and more.

When: Saturday, April 6, 2024

Time: 9:00 am - 2:00 pm

Location: Engineering Complex Building

Certificates of participation will be provided.

SCAN TO REGISTER:

Camp registration is on a first-come-first-served basis, so make sure to register as soon as possible to secure your spot!
