Introducing Engineering Wellness:

Experience Engineering Wellness on the front lawn of the Engineering Complex every third Wednesday of the month, and enjoy the wealth of health and fitness with our vibrant community! Join us for morning walks at 6:30 a.m. and afternoon activities from 5:00 p.m. to 7:30 p.m.

Invite friends or family for a chance to win some prizes and swag!

Top Highlight

Introducing A New Outreach Initiative, Engineering Wellness. Beginning August 2024.

Experience health and fitness, and meet the community at the Frank H. Dotterweich College of Engineering on the third Wednesday of every month!

VIRTUAL SESSIONS

Prospective and admitted students are invited to participate in sessions hosted by the Wayne H. King Department of Chemical and Natural Gas and the Department of Industrial Management and Technology. Email jesus.reina@tamuk.edu for more information.

YESTEXAS

We're excited to announce the planning of the 2025 Young Engineers of South Texas Summer Camp! We're working on the details, including times, dates, locations, and activities.

While we're still in the early stages, we aim to host the camp in June 2025. This camp will be open to high school and junior high students, offering them an enriching experience in engineering.

ENGINEERS WEEK

We're inviting high school and junior high students to E-Week 2025 at the Frank H. Dotterweich College of Engineering to explore the exciting world of engineering. Discover engineers' impact and participate in a variety of engaging activities!
